RAPPORT DÉTAILLÉ SUR DES POINTS CULMINANTS**DETAILED REPORT ON HIGHLIGHTS****INFORME DETALLADO SOBRE ASPECTOS DESTACADOS****11th ASTRAD-Symposium and “Austrokommunal 2017” Trade Fair on Road Management and Winter Maintenance**

10 - 11 May 2017, Wels, Austria

For the 11th time the ASTRAD-Symposium on Road Management and Winter Maintenance will be held on 10 and 11 May 2017 in Wels, province of Upper Austria. More than 150 exhibitors will be expected to welcome 3.000 professionals from the road management and winter maintenance sector at this biennial “Austrian Winter Road Congress”. The newest developments in equipment and technology for road operation and winter service will be presented in several technical sessions and in an exhibition area of 20,000 sqm indoor and outdoor at free admission for registered visitors. The new concept since 2011 does foresee an enhanced approach on urban and community issues by merging the Symposium with the “Austrokommunal Trade Fair”.

The Austrian National Committee assists the organizing committee of the Austrian Winter Road Symposium, for example by organizing the Technical Session.

Information is provided via the Austrian National Committee at <http://www.fsv.at/piarc/> or visit directly www.astrad.org for further information.

8th TUNNEL SAFETY AND VENTILATION

New Developments in Tunnel Safety

April 25 - 26, 2016

Messecenter Graz - Tagungszentrum

following the successful tradition this international symposium offered again in 2016 the possibility to exchange knowledge and to gain deeper insight into the newest developments in the fields of:

- ventilation: design, fireloads
- Emission, emission-factors
- risk analysis, limits, assessment for safety related equipment
- Choice of ventilation systems in relation to risk analysis
- System tests (tunnel – safety – ventilation)
- System tests for commissioning, recurring tests
- Tunnel operation
- refurbishment and upgrading of tunnels under operation
- innovative concepts and installations
